PREAMBLE

This Agreement is entered into, by and between the City of Lakeland, Florida, which is hereinafter referred to as the “Employer”, and the West Central Florida Police Benevolent Association, hereinafter referred to as the “PBA”.

ARTICLE 1. PURPOSE AND INTENT

Section 1. The purpose of the agreement is to secure workplace peace and efficiency, enabling the Employer and its employees to provide continuing satisfactory services to the citizens of the City, to secure a healthy operation through efficient service and public satisfaction, to establish an orderly and peaceful procedure for the resolution of grievances, and to set forth a basic understanding relative to rates of pay, hours of work and conditions of employment, designed to achieve those goals at a reasonable cost.

Section 2. The employees and management recognize that they are mutually dependent upon one another. Both are committed to public service and the success of that service. This success requires that both management and the employees work together. The Employer, the Union and all employees are convinced that there is no reason why differences that may arise may not be peacefully and satisfactorily adjusted by sincere and patient efforts on the part of all.

Section 3. The Union agrees that it will cooperate with the Employer through its agents and designated stewards by supporting the Employer’s efforts to achieve a fair day’s work by the employees covered by this Agreement, to actively combat absenteeism, and all other practices by

employees which restrict or tend to restrict productivity. The Union further agrees that it will support the Employer in its efforts to (a) eliminate waste and damage; (b) conserve equipment and supplies; (c) improve standards and efficiency; (d) prevent accidents; and (e) strengthen good will. This section is intended to express the purpose of the Agreement, and shall not be considered to impose liability for monetary damages on the Union, in any action in which the Union would not otherwise be liable, nor to impose any obligation on the Employer to make any expenditure not otherwise required by this Agreement.

ARTICLE 1. ARTICLE 2.

ENTIRE AGREEMENT

Section 1. This Agreement constitutes the complete and entire agreement between the Employer and the Union. The parties acknowledge that during, the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other will not be obligated, to bargain collectively with respect to any subject or matter, except as specifically provided in this Agreement.

Section 2. Should the City exercise any management right, whether reserved to it by law or by this Agreement, the City shall notify the Union of its intended action and, upon timely request, will negotiate with the Union regarding

the impact of such action on wages, hours, terms or conditions of employment. In such cases, the City shall not be prohibited from implementing its decision immediately, provided that if the City chooses to implement immediately, any agreements reached regarding the impact of its decision shall be made retroactive to the date of implementation.

Section 3. It is further understood and agreed that neither party hereto has been induced to enter into this Agreement by any representations or promises made by the other which are not expressly set forth herein and that this document correctly sets forth the effect of all preliminary negotiations, understandings and agreements and supersedes any previous agreements, whether written or verbal. This contract constitutes the entire agreement and understanding between the parties and shall not be modified, altered, changed or amended in any respect except on mutual agreement set forth in writing and signed by both parties.

ARTICLE 3. SEVERABILITY

In the event that any Article or provision of this Agreement is found to be invalid or unenforceable, by reason of any legislation or judicial authority over which the parties have no amendatory power, all other provisions of this Agreement shall remain in full force and effect for the term of this Agreement. Moreover, should any change in wages, hours, or working conditions be required as a result of any subsequently enacted legislation, judicial order, conciliation agreement, or other legal requirement, the City shall give the Union notice of the action it intends to take to comply with such requirement, shall meet and confer with the Union, if requested, regarding the proposed

past or future exercising of any function or right in any particular way, shall not be deemed a waiver of its future right to exercise such function or right, nor preclude the Employer from exercising the same in some other way not in conflict with the express provisions of this Agreement.

Section 2. It is agreed that the management of the City alone shall have authority to determine and direct the policies, mode and methods of providing services, without any interference in the management and conduct of the City's business on the part of the PBA or any of its representatives. Except as expressly limited by a specific provision of this Agreement, the City shall continue to have the exclusive right to take any action it deems necessary or appropriate on the management of its business and the direction of its work force. All inherent and common law management rights and functions which the City has not expressly modified or restricted by a specific provision of this Agreement are retained and vested exclusively in the City. Such rights exclusively reserved to the City shall include, but not be limited to, (a) the right to determine the size and composition of the its working force; (b) to determine the number and type of equipment, vehicles, machinery, materials, products, and supplies to be used and operated, distributed, or discontinued; (c) to hire, retire, promote, demote, evaluate, transfer, suspend, assign, direct, layoff and recall employees subject to the express limitations of this Agreement; (d) to reward or to reprimand, discharge or otherwise discipline employees subject to the express limitations of this Agreement; (e) to maintain and improve the efficiency of employees; (f) to determine job content and minimum training qualifications for job classifications,

ARTICLE 5.

ARTICLE 11.

GRIEVANCE PROCEDURE

A grievance is defined as an allegation made during the term of this Agreement, or during negotiations of a successor contract, up to the time of declaration of impasse by any party, that the Employer or Union has violated a specific Article and Section of this Agreement, which includes all mandatory subjects of bargaining contained within the Lakeland Police Department Written Directive System and the City of Lakeland Personnel Policy and Procedure Manual. An action or inaction alleged to be a violation of the Agreement may be grieved on behalf of any and all bargaining unit members that have or may be affected by the action or inaction. If impasse is declared in negotiations for a successor agreement then no new grievances may be filed (except for discipline issues which may be filed until a new contract becomes in effect or until the impasse procedure is completed on any subject, whichever occurs first). Employees who are not members of the PBA may utilize the Grievance Procedure established by this Article, but the Union is in no way responsible for non-members' utilization of this Article.

Under no circumstances shall there be a suspension or slow down of work, or refusal to follow any instruction, on account of any grievance. Grievances shall be resolved at the lowest supervisory level possible, but only within the customary authority of each succeeding level of supervision. No grievance shall be considered unless it is processed in complete accordance with the following Steps. Grievances not timely submitted or which do not contain the required information and signatures shall be null and void.

Step 1. There shall be a discussion between the employee and the Captain in his chain of command concerning the specific Article and section of the Agreement alleged to have been violated within Fifteen (15) calendar days of the alleged violation. The employee shall submit a grievance from which has been mutually agreed upon by both parties. The grievance form shall specify the particular Article and Section of the Agreement alleged to have been violated, shall contain a complete and detailed statement of the facts upon which the grievance is based, including the date of occurrence, shall specify the proposed remedy, shall be signed and dated by the bargaining unit employee(s), and by a PBA officer alleging the violation.¹ If possible, the grievance should be resolved at this level. Upon receipt of the grievance, the Captain, or his/her designee, shall record the date and time the grievance was received, shall investigate the grievance, and provide a written proposal for resolution of the grievance or a written denial of the grievance within ten (10) calendar days of the date that the grievance was received. Grievances resulting from an action or inaction of the Chief or the Assistant Chief and beyond the authority of the Captain to resolve, shall skip Step 1 and go directly to Step 2.

¹ Grievances initially filed at Step 2 shall contain the same information as outlined in Step 1 and be submitted within fifteen (15) calendar days of the occurrence of the incident(s) alleged to have violated the terms of the Agreement. Grievances submitted by non-PBA members of the bargaining unit do not have to contain PBA officer approval.

Step 2. Grievances not resolved to the satisfaction of the PBA in Step 1 shall, within seven (7) calendar days of the date the Captain's answer was received, appeal the Captain's determination to the Police Chief or the Chiefs designee. The Chief or Chief's designee shall provide the PBA with a written proposal for the resolution of the grievance or a written denial of the grievance within ten (10) calendar days of the day the appeal or grievance was received.

Step 3. If the grievance is not resolved to the satisfaction of the PBA in Step 2, the PBA shall, within seven (7) calendar days of the day of the decision by the Chief, or his designee, was received, request in writing the City Manager or designee to review the circumstances, facts and Steps 1 and 2 decisions. The review shall be done within fourteen (14) calendar days of the day the City Manager receives the PBA's request for review and may include meetings with the PBA, aggrieved employee, witnesses, and others as deemed appropriate by the City Manager or designee. Within twenty-one (21) calendar days of the day the grievance was submitted to the City Manager or designee, the City Manager or designee will provide the PBA with the City's final written decision.

Submission to Arbitration. In the event any grievance, which has been timely brought under this Agreement, either the PBA (a grievant who is not a PBA member) or the Employer may demand arbitration by filing a request with the Federal Mediation and Conciliation service of the United States, with a copy to the other side by certified mail, return receipt requested, to submit the names of

seven (7) approved regional arbitrators available to hear and decide the question involved. The party wishing to submit a grievance to arbitration must do so within Thirty (30) calendar days of receipt by the PBA of the decision in Step 3, or the right to pursue arbitration shall have been waived.

The parties hereto acknowledge the importance of both the time limitations and the requirements for written grievances and appeals expressed in Sections 2 and 3 of this Article, and no grievance shall be considered or deemed to exist that is not reduced to writing in the manner specified, timely filed and pursued at each Step of the grievance procedure, and timely submitted to arbitration. Failure to initiate a grievance or appeal within the time limits in Sections 2 and 3, above, shall be deemed to be acceptance of the decision at that Step. A timely filed grievance not answered by management within the time limit prescribed shall be treated as a denial of the grievance and the grievance may be pursued to the next Step of the grievance procedure. Time limits may not be extended except by written mutual agreement signed by representatives of both parties, except that a request for extension by the PBA within the established time limits will automatically be granted for three (3) calendar days. The Employer's willingness to go through the grievance procedure and to submit the issue on the merits to an arbitrator shall not be interpreted as a waiver of any issue as to arbitrability. However, the Employer is not required and may not be forced to proceed with any grievance or arbitration where the time limitations and the requirements for written grievances and appeals expressed in Sections 2 and

3, above, have not been fulfilled, nor when the grievance or arbitration involves rights reserved by the Employer under this Agreement.

Absent permission from the Employer, grievances must be processed outside of the scheduled working hours of any employee involved in the grievance.

The filing or pendency of any grievance under the provision of this Agreement shall in no way operate to impede, delay or interfere with the right of the Employer to take the action complained of subject, however, to the final disposition of the grievance.

ARTICLE 6.

ARTICLE 7. ARTICLE 12.

ARBITRATION

Section 1. Upon receipt of the list of arbitrators from the Federal Mediation and Conciliation Service, the party requesting arbitration shall make the first strike from the list of arbitrators. The other party shall strike second, and then each party shall in turn strike one name until only one name remains. This person shall be selected as an impartial Arbitrator.

Section 2. If the parties do not agree upon a person to act as an arbitrator within thirty (30) calendar days after receiving such list of names, either party, prior to making its third strike, may request the Federal Mediation and Conciliation Service to submit a second list, from which names shall be stricken in accordance with section 1. Nothing in this article shall prevent the parties from agreeing upon a mutually acceptable arbitrator other than one on a panel supplied by FMCS.

Section 3. The grievance submitted to the arbitrator shall be based exclusively on the written grievance as submitted in Article 11, Section 2, of the Grievance Procedure. If on-duty personnel are subpoenaed to the arbitration hearing, they will be released from duty only for the time required to testify. No more than two employees will be released from duty at a time, unless the Employer authorizes the release of more than two; such authorization shall not be unreasonably withheld. Employees who voluntarily attend arbitration shall not be engaged in compensable work time.

Section 4. Any decision or award of the arbitrator shall be strictly limited to the interpretation of specific terms of this Agreement (as defined in Article 11, Section 1) and to a determination of whether the Employer violated a specific provision of this Agreement as alleged in the written grievance. The arbitrator shall not explicitly or implicitly change, amend, add to, subtract from, or otherwise alter or supplement any of its terms and conditions, nor depart from its terms in rendering a decision. The Employer's action shall be upheld if it is based upon competent substantial evidence. The arbitrator shall confine himself exclusively to the question which is presented to him. The arbitrator's decision shall be final and binding upon both parties.

Section 5. The Employer may not be compelled to arbitrate any grievance not alleged to have occurred during the term of this Agreement or during the period of negotiations of the successor agreement or a newly ratified agreement. If impasse is declared in negotiations for a successor agreement, then no new grievances may be filed, though pending grievances and arbitrations

will be processed (except for discipline issues on which grievances may be filed and arbitration pursued subject to Articles 11 and 12, but only until a new contract becomes in effect or until the impasse procedure is completed on any subject, whichever occurs first).

Section 6. Each side shall bear the cost of its own witnesses and representatives. The cost of room accommodations shall be divided equally between the parties. The fees and costs of the arbitrator shall be borne by the non-prevailing party. Any party requesting a transcript will bear its cost, unless otherwise agreed.

Section 7. The arbitrator shall have no authority to substitute his judgment for that of the Employer on an issue of management discretion, to assess any compensatory or punitive damages, to impose as a remedy any back pay to any employees or individuals who are not grievants, nor to limit or interfere in anyway with the powers, duties, and responsibilities of the Employer except as such powers, duties and responsibilities have been abridged, delegated or modified by the express provisions of this Agreement. No award of back pay to any grievant shall date back to a time prior to the date the grievance arose. All awards of back pay under this Agreement shall be offset by unemployment compensation benefits, workers compensation benefits (except medical), any and all earning which were or should have been earned by the grievant (i.e., the grievant has a duty to mitigate or minimize the damages and the Employer is not responsible for lost earnings to the extent that such loss could have been avoided had the grievant used reasonable care in seeking other employment to

avoid or minimize the injury), and any other compensation from other sources during any period of unemployment for which back pay is awarded.

ARTICLE 13. LAYOFF AND RECALL

Section 1. Definition. Layoff is a reduction in the number of employees due to lack of work, lack of funds, or for any reason other than the acts or delinquencies of the employee. The City will layoff employees as hereinafter provided.

Section 2. Order of Layoff.

A. No regular non-probationary employee is to be laid off while a probationary or temporary employee is serving in the same classification.

B. Once the City determines that a layoff is necessary, the City will layoff employees in reverse order of their seniority within the Police Department. Should two or more employees have the same seniority, the order of layoff shall be based on performance as determined by the City.

C. The City may retain junior officers who are assigned to special duties or are on special assignment. When such special duties or assignments are completed, the most senior officer on the layoff list shall be notified of his/her right to displace such junior officer.

Section 3. Notice of Layoff. Employees being laid off shall be given fourteen (14) calendar days' written notice in advance or in lieu thereof, one (1) weeks' pay or a combination of days' notice or pay to be paid at the employee's current hourly base rate of pay. For example, if only seven (7) days notice is provided, the City shall pay the employee two and a half (2 ½) days of pay (one days' pay equals two working days' notice). The PBA shall be furnished a copy of such notice.

Section 4. Order of Recall. Employees shall be recalled from the layoff in reverse order of seniority provided that they are qualified to perform the work to which they are recalled. No new employee shall be hired for a position that an employee who was laid off, and otherwise eligible under this Article, would be qualified to perform.

Section 5. Employment Status. After twelve (12) months have passed since an employee was laid off, that employee will be removed from the preferential re-employment list. Additionally, when an employee who was placed on the re-employment list after a layoff, either rejects an offer of re-employment or requests that his/her name be removed from the reemployment list or otherwise removed due to death or disability, that employee shall no longer be considered eligible for re-employment with the Police Department.

Section 6. Benefit Status. During the period during which an employee remains on a preferential re-employment list, the employee shall not receive paid time off or termination payments (i.e. annual sick leave, sick leave, pension, longevity). All benefits shall cease during the layoff period. Health and life insurance for which the laid off employee would have otherwise been eligible may be continued at the employee's expense for the period of time the employee remains on the re-employment list or in accordance with the law, whichever is longer.

Section 7. Recall Procedures. The City shall notify employees to be recalled by United States First Class mail. All employees on layoff shall have the obligation of providing the City with their correct mailing address where such notice shall be mailed. A recalled employee shall immediately inform the City of his/her intent to accept or reject the recall offer. If the recalled employee does not respond to the recall offer within seven (7) calendar days after the City mailed the recall notice, or the employee notifies the City of acceptance of recall but fails to report at the specified time, or the employee accepts or rejects any employment with the City, or the employee has been on layoff for a period of one (1) year, the employee's name shall be removed from the re-employment list.

Section 8 Calculation of Benefits. An employee recalled following a layoff shall be allowed to include all service and seniority which was creditable on the date of layoff when computing their seniority. Service or seniority shall not accrue during the period of layoff. No benefits shall accrue during the layoff period.

Section 9. Layoff Not Disciplinary Action. Under no circumstances is a layoff considered a disciplinary action and in the event of any grievance based on provisions under this Article, such grievance must be based solely upon whether the layoff was conducted in accordance with the provisions of this Article.

ARTICLE 14. EDUCATIONAL ASSISTANCE

It is the policy of the City to make opportunities available to employees for training, career development and advancement consistent with individual ability, performance and the requirements of the City.

Regular full-time employees who have completed twelve (12) months of continuous service with the City are eligible to apply for tuition reimbursement in accordance with the following:

Eligible courses must be offered by an accredited college, university, vocational school or correspondence school, or courses approved by Police Administration.

Reimbursement will be limited to no more than \$1,800.00 per fiscal year for any individual employee; however, should during the term of this agreement, the compensation structure be increased for general employees, bargaining unit employees will also be subject to receive this increase. Educational reimbursement shall be based on the following criteria:

- A. Full tuition is available for course work that is directly related to the employee's current job classification with the City.
- B. Full tuition is available for course work, which is directly related to other job classifications with the City that will enhance the employee's opportunity for advancement to those classifications.

The employee shall initiate an "Application for Educational Assistance" at least two weeks prior to the beginning of classes along with the student schedule

and fee receipt showing the amount of tuition paid. This form will be completed and sent through the supervisor to the Department Director who will indicate approval or disapproval. If approved by the Department Director, this form will be forwarded to the Employee Relations Office for final approval or disapproval. The original application for Educational Assistance will be maintained in the Employee Relations Office and signed copies will be returned for the Department Director and the Employee.

After completion of the approved course(s), and the employee submits a transcript indicating successful completion with final grade(s) of "C" or better or a certificate of satisfactory completion, the employee will be reimbursed according to the approved "Application for Educational Assistance."

General Provisions:

- A. Tuition and fees are the only costs eligible for reimbursement. The cost of books and supplies are not eligible.
- B. The employee will be required to reimburse the City for course tuition received if the employee leaves the employment of the City within one year from the time the employee receives reimbursement from the City.
- C. If an employee resigns or terminates for any reason prior to receiving a refund, there shall be no obligation on the part of the City to refund any part of this expense.
- D. The City will not pay the cost of tuition, which has been or will be paid for by sources such as grants, scholarships, or other subsidies.
- E. Whenever training is required by the City, all tuition costs will be paid by the City.
- F. Under arrangements reviewed by the Employee Relations Office, Police Administration may allow time off with pay for employees to attend area colleges under the following conditions:
 - 1. Courses are job related. This will be determined by Police Administration and the Employee Relations Office.
 - 2. The employee can be spared from the job.
 - 3. Courses are not available during off-duty hours.

4. No overtime is caused by the employee's absence.
5. No more than eight (8) hours per week are involved.
6. Any time off with pay must be made up by the employee during the regular workweek at times agreed by the Department Director or designee.
7. An employee desiring time off with pay for educational purposes must request and justify such time off in writing and obtain prior written approval from his/her supervisor, Department Director, and the Employee Relations Office.

ARTICLE 15. NO DISCRIMINATION

With respect to PBA membership or activities, both parties will respect the rights of the employees, meaning that the unit employees are free to join the PBA and participate in its activities if they want to, and they are also free as individuals to reject PBA membership and to refuse to support the PBA or pay dues to it, without being subjected to any kind of harassment or retaliation.

ARTICLE 16. EMPLOYMENT OF RELATIVES OR SIGNIFICANT OTHERS

For purposes of this section, a Relative is defined to include spouses, parents, children, brothers, sisters, brothers- and sisters-in-law, fathers-in-law and mothers-in-law, stepparents, stepbrothers, stepsisters, and stepchildren. This section also applies to Significant Others, defined as individuals who are not legally related but who reside with another employee, *are common law or life partners, and/or* are engaged in a

social/romantic relationship that could result in or has lead to conflicts affecting the City (this does not include purely platonic “room-mate” type arrangements).

Employment of Relatives or Significant Others in the same area of the City can cause serious conflicts and problems with favoritism and employee morale. In these circumstances, all parties, including supervisors, leave themselves open to charges of inequitable consideration and nepotism in decisions concerning work assignments, transfer opportunities, time-off privileges, training and development opportunities, performance evaluations, promotions, demotions, disciplinary actions, and discharge.

In addition to claims of partiality in treatment at work, personal conflicts from outside the work environment can be carried into day-to-day working relationships.

It is this City’s policy that Relatives or Significant Others of persons currently employed by the City may be hired only if they will not be working directly for or supervising a Relative or Significant Other, or will not occupy a position in the same chain of command within the City.

If already employed, they cannot be transferred into such a reporting relationship. If the Relative or Significant Others relationship is established after employment, the individuals concerned will decide who is to be transferred to an available position for which the individual is qualified, or resignation from employment, subject to City approval. If that decision is not made within 30 calendar days, management will decide.

In other cases where conflict or the potential for conflict arises, even if there is no supervisory relationship involved, the parties may be separated by reassignment or terminated from employment.

Section 1. The Employer agrees to deduct bi-weekly from the earnings of its employees who have signed individual authorization cards, supplied by the PBA, and to remit the same to the duly designated officer of the PBA, until such time as the employee resigns his/her membership in the PBA or otherwise revokes his/her dues deduction authorization in writing to the Employer and the PBA with 30 days advance notice.

Section 2. Should the dues deduction authorization form executed by any employee conflict with any state or federal law in any respect, the Employer shall be relieved from honoring such authorization.

Section 3. The PBA agrees that there shall be no liability on the part of the Employer for the collection of any unpaid dues which may be due the PBA from any employee who, because of absence from work or termination of employment, has insufficient wages payable to him/her at the regular time the dues are to be deducted from which to make such deduction. The PBA shall indemnify and save the Employer harmless against any and all claims, demands, suits, judgments, or other forms of liability or expense, that may be incurred or necessitated by reason of action taken or not taken by the Employer for the purpose of complying with any of the provisions of this Article.

Section 4. The PBA agrees to pay the Employer \$150.00 for the initial set up of check-off, and \$0.30 per deduction per employee bi-weekly for this service.

Section 5. The Employer shall not be required to collect PBA dues in arrears. Any change in dues made by the PBA will be made effective after a thirty

(30) day written notice by the PBA's Secretary/Treasurer or designee to the Employer.

ARTICLE 18. ACCESS TO PREMISES

PBA representatives who are not employees of the City may be permitted access to the Police Department for the purpose of administering this Agreement and/or under the provisions of the Police Officers' Bill of Rights, and to public areas of the Police Department. No such access shall be used for organizational purposes, and no such access shall be permitted to interfere with the performance of work. Access to restricted areas may be given upon reasonable advance notice to the Chief of Police or designee, provided that the PBA representative must be accompanied by an escort assigned by the Chief of Police or designee. Except as provided in this Article, no access shall be given to PBA representatives without the express written consent of the Chief of Police or designee.

ARTICLE 19.

PBA REPRESENTATIVES WITHIN THE LAKELAND POLICE DEPARTMENT

Section 1. Starting from the Effective Date of this Agreement and continuing every year thereafter, the PBA shall designate two (2) representatives and two (2) alternates ("PBA Representatives") from the pool of employees

covered by this Agreement for the purpose of conducting PBA business, which may include processing grievances or representation of bargaining unit employees in pre-disciplinary hearings or internal affairs investigations provided that members of the bargaining unit request such representation. These designated individuals will be the only individuals recognized as PBA Representatives within the bargaining unit.

Section 2. PBA Representatives shall have the right to request time off to conduct the aforementioned PBA business provided that such request be made with five (5) days advanced notice. The five (5) day notice requirement shall be waived for occasional legitimate emergencies, which shall not be abused. Such request shall be made to the Chief of Police or designee and shall not be unreasonably withheld. At no time, shall more than two (2) PBA Representatives be allowed time off from work pursuant to this Article at any one time.

Section 3. Starting from the Effective Date of this Agreement, up to two (2.0) hours of annual leave per fiscal year shall be transferred from each PBA member's annual leave balance at each PBA member's rate of pay to the PBA leave bank. Leave taken pursuant to this Article must be taken from the PBA leave bank at each PBA Representatives' rate of pay. Any currency balance remaining in the PBA leave bank at the end of the fiscal year shall be transferred to the PBA leave bank for the following fiscal year. Union leave, as with other approved leave, does not count as hours worked for the purposes of calculating overtime and it shall not be considered or result in premium pay for any purpose.

Section 4. The City and the PBA agree that the number of paid hours for the Officers, Sergeants, and Lieutenants bargaining units will be combined and utilized as one PBA leave bank, with a maximum aggregate number of paid hours to be used under this Article not to exceed four hundred fifty (450) hours during any fiscal year.

ARTICLE 20. EXTRA DUTY EMPLOYMENT POLICIES AND PROCEDURES

The Lakeland Police Department has deemed the Off-Duty Police Security, when operating outside headquarters could pose a potential "conflict of interest". Therefore the Lakeland Police Department has a new policy; making it mandatory that all Police Security be routed through the department. They do not condone private arrangements of any kind with the exception of Summit Consulting and the First Baptist Church at the Mall Security – Private Duty Employment details that have been continued. No further Private-Duty Employment will be approved.

Section 1. Purpose. This article will define policy and establish procedures Pertaining to the administration of the Lakeland Police Department Extra Duty Employment Program. Further, this directive establishes procedures by which private citizens, businesses, and organizations will secure extra duty police services; procedures which assure that officers are physically and mentally prepared to fulfill their primary on-duty assignments; and other important information relating to the Lakeland Police Department Extra Duty Program.

Section 2. Discussion. Extra Duty work by officers is not an inherent right, but a privilege that can be granted at the discretion of the department.

The primary obligation and responsibility for all Lakeland Police Department (LPD) personnel is their on-duty assignment. LPD allows its officers to participate in outside employment through the department's extra duty program. However, in order to ensure that all police officers are in optimal physical and mental conditions to carry out their duties and to ensure that law enforcement is the officer's primary concern, it is the policy of the Lakeland Police Department that extra duty employment performed by LPD officers shall be regulated according to the Department's Policies and Procedures. LPD officers are prohibited from soliciting extra duty employment and any officer who continues to do so is in violation of the Lakeland Police Department Standard Operating Procedure.

This article is provided with the understanding that The Fair Labor Standards Act (FLSA) makes provision for law enforcement officers to work in a law enforcement capacity for separate and independent employer during their extra duty hours. The FLSA provides that these hours of work for a separate and independent employer are not combined with the hours of work for the primary public agency employer (City of Lakeland) for the purposes of overtime compensation. However, the provision applies only when the work is performed solely at the employee's option and that the regulations permit the primary employer (City of Lakeland) to facilitate extra duty employment. This would include determining the rate of pay, and retaining administrative fees for expenses. It also requires that the separate and independent employer pay for services directly to the department and establishes procedures for officers to receive pay through the agency's payroll system. This applies even if laws or ordinances require that such work be at the option of the officer. Any officer who does

not desire extra duty work shall be free to decline work when offered by the Coordinator. Accordingly, when an officer does not accept extra duty work it shall be considered to be at the employee's option. The Coordinator shall only assign work in this voluntary manner and shall also assign work only for jobs for separate and independent employers. Any questions regarding the status of an employer as a separate and independent employer shall be resolved by the Coordinator through LPD's General Counsel and/or the city attorney's office prior to the assignment of work. The Chief of Police or designee reserves the exclusive right to authorize, on an interim basis, extra duty assignments to individual units and personnel in order to meet unique circumstances that serve the best interests of the department.

The Chief of Police has the authority to establish rates to be charged for assignment of officers and use of vehicles. The extra duty coordinator will compile and distribute a current rate schedule. This schedule shall be reviewed annually and be effective at the beginning of the City of Lakeland fiscal year. The minimum charge for any extra duty assignment will be three hours of service at the appropriate rate. Only the Chief of Police has the authority to extend or reduce the minimum hours of service on an assignment and the customer will pay the extended or reduced minimum. Note: Extra duty officers remain under the exclusive control of the department and accountable for strict adherence to department rules and regulations. Any conflicting rules from employers must be disregarded.

Sign-up procedures will be coordinated through the Special Events Office and be done in the most fair and equitable manner. Initial selection of details for Flat Rate and Special Rate will be seniority based. When unfilled details are moved to "open

selection”, they will be first come, first serve as established procedure. City Overtime Details will be filled based on position required for the job and seniority of rank first. (Example – If the detail calls for officer slots, then only officers will be eligible for the detail until moved to “open selection”. This is done in fairness to the customer who is being billed overtime rates for the member working the detail. If a City overtime detail requires a supervisor, it will be filled based on seniority in rank for the position posted.)

Section 3. DEFINITIONS:

A. Customer: Citizen, business, or entity that has been approved by the Extra Duty Office to have LPD officers work for them as extra duty employment.

B. Extra Duty Coordinator: The person who will coordinate the filling of assignments created by requests from citizens, businesses, and organizations with officers who volunteer for extra duty employment.

D. Extra Duty Special and Non-Special Event Application: A form provided by the customer describing the rules and expectations that will be requested of the officer.

E. Extra Duty Sign Up System: An internet-based software system by which sworn personnel may sign up for extra duty details.

F. Large Scale/Special Assignment: An assignment designated by the Chief of Police or extra duty coordinator to be planned by a supervisor for the Extra Duty Office.

G. Off Duty Employment: Any outside employment of a police officer, which is not, predicated on the actual or potential use of the officer's law enforcement powers.

H. Extra-Duty Outside Jurisdiction: The Chief of Police has the authority to approve extra-duty employment to law enforcement agencies outside LPD's jurisdiction through a Mutual Aid Agreement for events such as Gasparilla where LPD assists the Tampa Police Department.

I. Courtesy Officer: Employment of a sworn member by an apartment or residential community for the provision of on-site security services in exchange for reduced or free rent for the officer as the residential area.

J. Private-Duty Employment: Any outside employment of an extra duty nature arranged directly between the business or individual and a LPD employee to provide security services. It is not predicated on the actual or potential use of the police officer's law enforcement powers, however, based on the job description there is a potential use of police power/authority. Note: This is to allow existing details (Summit Consulting and First Baptist Church at the Mall Security) to continue. No further Private-Duty employment will be approved.

K. KCTIPS Adjunct Instructor: Employment as an Adjunct Instructor for the Kenneth C. Thompson Institute for Public Safety (KCTIPS, the regional training center for local law enforcement agencies. The actual or potential use of the member's law enforcement powers is unlikely, but could occur as a result of being in department uniform to instruct, thus it does not fall under Private or Off Duty Employment sections of the General Orders (G.O.).

L. Secondary Employment: Any employment other than primary employment by the Lakeland Police Department, to include all courtesy officer, KCTIPS, private duty, extra-duty and off-duty employment.

M. Workers Compensation and Liability: Depending on the type of Secondary Employment, coverage and procedures may or may not be the same as when on regular duty assignments. If an injury or medical condition occurs when taking law enforcement action and acting under the color of law enforcement during Secondary Employment, a City of Lakeland Accident/Injury Form will be completed and evaluated to determine if it is compensable under workman's compensation.

ARTICLE 21.

SHIFT BID

The City and the P.B.A. agree that the Uniform Patrol Division shall have four (4) patrol squads with officers assigned to two (2) rotations with each rotation consisting of a day squad and a night squad. The members of each rotation are all assigned to the same days off. The four (4) squad's shift schedules are designed for a twenty four (24) hour day, seven (7) days a week staffing. Each rotation will have consistent work days and days off. Example: work Monday & Tuesday, off Wednesday & Thursday, work Friday, Saturday, and Sunday, off Monday & Tuesday, work Wednesday & Thursday, and off Friday, Saturday, and Sunday. Each of the four squads will work a twelve (12) hour work shift. Pay periods' cycle every two (2) weeks fourteen (14) days and total eighty four (84) work hours.

Both parties agree that Uniform Patrol Division Commanders have the authority to approve a patrol officer's changing squads for specific purposes such

as furtherance of an officer's formal education, family problems, or personal reasons approved by the affected Commanding Officer.

Annually, as of September 15th, all officers who are currently assigned to Patrol, and those who wish to return to Patrol by the first scheduling period of the following year, will enter their name on a seniority list of Patrol personnel. Once the list is established, all members on the list will be ranked by their sworn seniority date, or date of rank with the Lakeland Police Department.

Officers on the seniority list will then bid on their preferred squad assignment for the upcoming calendar year. The Division Commanders may make changes to the assignment of squads as needs dictate. These assignments will be in effect for the following calendar year.

An officer transferred into the Patrol Division during the calendar year, whether it is the department's choice or that of the member, will be assigned by the Division Commander. Once a member has been assigned to a squad and works at least one (1) shift, that member is then placed on the seniority list as if they had been on the seniority list for that year. In the event an opening occurs on another squad, that member will then be eligible to bid for the open position.

The City and the P.B.A. recognize that the department has a long standing goal to have each patrol officer assigned to a particular patrol district for a one (1) year period. Both parties acknowledge that this goal is not always possible due to holidays, vacations, days off, or sick days, but the attainment of this goal is an issue that the department would like to reach as closely as possible. Rotation

ARTICLE 28. RETIREMENT HEALTH SAVINGS ACCOUNT

A. Due to mandates to changes in the Police Pension Plan by the State of Florida, which disallowed certain accrued sick leave time from being counted as work time for pension benefit calculation purposes, the new benefit set forth in this article is agreed to by the parties as a replacement for the “lost pension benefits” resulting from that decision.

B. This replacement benefit shall be in the form of a single, lump sum deposit into a Retiree Health Savings Account (RHSA) made upon separation from employment

from the City. For purposes of this article, “separation from employment from the City” shall include the effective date of any election to commence participation in a DROP program sponsored by the City.

C. The dollar value of that lump sum deposit shall equal 50 percent of the present value of the actuarial equivalent of any unused sick time accrued by a police officer as of the date of separation from employment – calculated as if those unused sick hours had been converted to years of service for purposes of determining a monthly retirement benefit within the Police Officers Defined Benefit Retirement System (“the Plan”).

D. For purposes of making this actuarial calculation, the conversion rate shall be calculated at a rate equal to one month of credited service for every 21 days of unused sick leave. All other actuarial assumptions shall be those adopted by the trustees of the Plan and as incorporated into the most recent actuarial study for the Plan.

E. This actuarial equivalent shall be calculated by the actuarial firm retained by the trustees of the Police Officers Defined Benefit Retirement System, and shall be itemized separately from the normal monthly retirement benefit calculation. The City of Lakeland shall not incur any incremental costs as a result of the computation of this RHSA benefit by the actuary.
