Recognition

1.1 Inclusions.

A. The University hereby recognizes the PBA as the exclusive representative for the purpose of collective bargaining with respect to wages, hours, and terms and conditions of employment for all employees included in the University of South Florida Law Enforcement Bargaining Unit as defined in Certification No. 1414 issued by the Florida Public Employees Relations Commission on August 12, 2003.

B. This Agreement includes all full-time and part-time employees in the classifications and positions listed in Appendix A of this Agreement, except for those individuals filling full-time and part-time positions excluded pursuant to Section 1.2.

1.2 Exclusions. This Agreement specifically excludes employees in positions designated temporary, emergency status, all persons paid from Other Personnel Services (OPS) Funds and those designated by order of the Public Employees Relations Commission as managerial or confidential.

1.3 Classes and Positions.

A. When the University establishes a new Staff (formerly known as "USPS") law enforcement classification or revises an existing classification so that its bargaining unit designation is changed, the University shall notify the PBA regarding the proposed bargaining unit designation of the class. The PBA shall notify the University, in writing, within fifteen (15) days of receipt of the notice, of any comments it has regarding the bargaining unit designation or of its desire to discuss such designation. If, following such discussion, the PBA disagrees with the bargaining unit designation of the class, it may request that the Florida Public Employees Relations Commission resolve the dispute through unit clarification proceedings.

B. When a new position is created in a classification that is included in a bargaining unit, and the University determines that the position should be excluded from the unit due to its managerial or confidential status, the University shall notify the PBA of such determination. The PBA shall notify the University, in writing, within fifteen (15) days of receipt of the notice, of any comments it has regarding the bargaining unit designation or of its desire to discuss such designation. If, following such discussion, the PBA disagrees with the bargaining unit designation of the position, it may request that the Florida Public Employees Relations Commission resolve the dispute of unit placement.

1.4 Rights. No employee shall be dismissed, demoted, suspended, transferred, disciplined, or denied promotion, transfer, or reassignment or otherwise discriminated against in regard to his employment, or be threatened with any such treatment by reason of exercising the rights granted under this agreement.

Article 2

Definitions

The terms used in this Agreement are defined as follows:

2.1 "Chief Administrative Officer" means the President of the University or his/her representative.

2.2 "Days" means calendar days, excluding any day observed as a University holiday.

2.3 "Employee" means a member of the bargaining unit as it is described in Article 1.

2.4 "Employee Grievance Representative" means an employee who has been designated by the PBA to investigate grievances and to represent grievants when the PBA has been selected as the employee's representative.

2.5 "Permanent Status" is earned by an employee in a class, after successfully completing the specified probationary period for that class, which provides the employee with rights to remain in the class or to appeal adverse action taken against the employee while serving in the class. Once attained in any Staff class, permanent status is retained throughout continuous employment in the Staff at the University.

2.6 "President of the Florida Police Benevolent Association" includes his/her representative.

2.7 "University" means the University of South Florida, Board of Trustees, a public body corporate.

Article 3

PBA Business

3.1 Neither PBA representatives nor unit employees shall leave their posts or work stations for the purpose of investigating, presenting, handling or settling grievances without the express permission of the Division Commander(s) or corresponding officer on a Regional Campus. PBA representatives shall not contact any employee or other person concerning grievance matters or PBA business during either the working hours of the PBA representative or the working hours of any employee sought to be contacted without the express prior permission of the Division Commander(s) of the employees involved. Such permission shall not be unreasonably denied.

3.2 Upon request, the University shall furnish the PBA with a copy of all written rules and regulations pertaining to employer-employee relations, including but not limited to general orders. When possible, practical, and applicable, electronic digital versions of documents in a common format shall be provided by the University. PBA shall pay the actual cost of providing such documents in accordance with Ch. 119 F.S. If the University maintains its official rules, regulations, and policies on its website, such documents shall be deemed provided.

3.3 The University shall provide the PBA with a listing of all bargaining unit employees, to include their employment date with the University, their current job classification and the date of attainment of their current job classification.

An updated list shall be provided semi-annually upon the request of the PBA, electronically if available. The University will provide a list of new employees upon the request of the PBA.

3.4 The University agrees to provide a bulletin board at each campus police station for the posting of notices of meetings or other PBA official notices. No such notice shall be posted unless it has been signed by a duly authorized PBA representative and submitted to the Chief's office at the time of posting. Notices shall be dated when posted and may be removed by the University within two (2) days after the event. The PBA shall have access to those employee mailboxes available for general distribution.

3.5 Every year, up to 2.0 hours of annual leave shall be transferred from each PBA member's annual leave balance to the PBA Leave Bank. The Leave Bank shall not exceed 200 hours. Any balance remaining in the PBA Leave Bank at the end of the fiscal year shall be transferred to the Leave Bank for the following fiscal year. Union leave may only be requested for regularly scheduled duty time and shall be treated as all other approved leaves. Union leave, as with other approved leave, does not count as hours worked for the purpose of calculating overtime.

3.6 PBA representatives shall have the right to request leave from the PBA Leave Bank for the purpose of conducting the following PBA business related to the University: grievance hearings, contract negotiations, meetings regarding the resolution of collective bargaining impasse procedures, provided, however, that not more than two (2) such representatives shall have the right to receive such permission at any one time. Further, the

PBA shall give the University at least 72 hours advance notice of the time desired off barring exigent or emergency circumstances. Such requests shall be submitted to the Chief of Police and shall not be unreasonably denied.

3.7 The University and the PBA agree that there shall be no coercion or discrimination against any employee because of their membership or non-membership in the Union, either by the University or the Union, or their agents, and that they will not interfere with, restrain, or coerce employees in the exercise of their rights under the Public Employees Relations Act. The PBA agrees that there will be no solicitation of employees for Union membership, collection of cards, or any other Union activity on the University's time, except as may be specifically provided for in this agreement.

Article 4

Nondiscrimination

4.1 Non-Discrimination Policy - State and Federal Law.

A. The University and the PBA shall not discriminate against any employee based upon race, color, sex, religion, national origin, age, veteran status, disability, marital status, genetic information, sexual orientation or gender identity and expression, nor shall the University or the PBA abridge any employee rights related to union activity granted under Chapter 447, Florida Statutes.

B. Sexual harassment is a form of sex discrimination. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

C. The PBA shall have the right to consult on issues of discrimination, including sexual harassment, as described in Article 4.

4.2 Affirmative Action Program. The PBA agrees to support the University's current affirmative action programs.

Article 5

Grievance Procedure

5.1 A grievance shall be defined as any difference, dispute or complaint regarding the interpretation or application of the terms of this Agreement, provided however that employees or the PBA shall not be eligible to file grievances regarding pending investigations, unless a specific term of this Agreement has been violated.

5.2 All grievances filed shall refer to the specific section of this Agreement upon which the grievance is based and shall contain a concise statement of the facts alleged to support the grievance. Grievances shall be processed in accordance with the following procedure and shall be determined by application of the terms of this Agreement, the laws of the United States, the State of Florida and the rules, regulations, policies and procedures of the University of South Florida, to the extent the rules, regulations, policies and procedures shall not conflict with this Agreement.

5.3 Grievance Process.

A. The parties recognize the benefits of open communication regarding differences, disputes or complaints. Thus, the employee is encouraged to meet with his or her Lieutenant, or in the absence of a Lieutenant the next level supervisor, at any time prior to the filing of a grievance.

B. Step 1. The aggrieved employee shall present his grievance in writing on the appropriate form to the Step 1 Representative within seven (7) calendar days of the occurrence or the date on which the employee knew or should have known of the action giving rise to the grievance. The aggrieved employee may request that a PBA representative be present. Discussions will be informal for the purpose of settling differences in the simplest and most direct manner. The Step 1 representative shall reach a decision and communicate it in writing to the aggrieved employee within seven (7) calendar days from the date the grievance was presented to the Step 1 representative. Responses at Step 1 shall not set a precedent.

C. Step 2. If the grievance is not settled at Step 1 and the employee elects to appeal the Step 1 decision, then within seven (7) calendar days of the Step 1 response, the grievance shall be presented by the employee to the Step 2 representative. The Step 2 representative shall review the facts concerning the grievance and shall, within seven (7) calendar days following receipt of the written grievance meet with the employee. The employee at his option may be accompanied at this meeting by a PBA representative. The Step 2 representative shall notify the employee of his decision in writing not later than seven (7) calendar days following the meeting date.

D. Step 3. If the grievance is not settled at Step 2 and the employee desires to appeal the Step 2 decision, then within seven (7) calendar days of the date of notification from the Step 2 representative, the written grievance shall be presented by the employee to the Associate Vice President of Human Resources (or designee). The Associate Vice President of Human Resources shall review the facts concerning the alleged grievance and shall, within seven (7) calendar days following receipt of the written grievance, meet with the employee. The employee at his option may be accompanied at this meeting by a PBA representative. The Associate Vice President of Human Resources (or designee) shall notify the employee of the decision in writing not later than seven (7) calendar days following the meeting date.

E. Nothing in this Agreement shall be construed to prevent any employee from presenting, at any time, his own grievances in person or by legal counsel, to the University and having such grievances adjusted without the intervention of the PBA, if the adjustment is not inconsistent with the terms of this collective bargaining agreement and if the PBA has been given reasonable opportunity to be present at any meeting called for the resolution of such grievances, provided however, that the PBA shall retain exclusively its right to appeal grievances to final and binding arbitration.

5.4 Arbitration Process.

A. In the event that the grievance remains unresolved and involves a dispute concerning rights, working conditions or disciplinary action connected to suspension, involuntary reduction in pay, involuntary demotion, dismissal, or other disciplinary matters involving a property interest of the grievant, the matter shall be submitted to final and binding arbitration as provided in this section.

B. The University and the PBA may, by written agreement, submit related grievances for hearing before the same arbitrator.

C. Within seven (7) calendar days of the date of the decision of the Associate Vice President of Human Resources or designee, the PBA shall notify the Associate Vice President of Human Resources of the intent to arbitrate.

D. Selection of Arbitrator

1. Within 30 days of the University's receipt of a request for arbitration, the parties will either mutually agree to an arbitrator or jointly request a list of seven (7) arbitrators from the Federal Mediation and Conciliation Service, who are current members of the National Academy of Arbitrators, for resolution of the grievance. Any filling fee will be shared by the parties. Should the University be of the opinion that a request for arbitration is untimely or otherwise improper, such opinion shall not affect the selection of the arbitrator; however, such issue(s) shall be subject to Section 5.4 F.

2. Within fourteen (14) days of the receipt of the Panel list, the parties will alternately strike an equal number of names until only one arbitrator remains. The remaining arbitrator will be the chosen arbitrator to hear

the case. If the issue to be heard is a discipline case, the University will strike the first name. If the issue to be heard is over the interpretation and application of the agreement (non-disciplinary), the PBA or the Grievant shall strike the first name. In the event that the parties mutually agree, before any striking of names occurs, that the list of arbitrators is unsatisfactory, a new panel may be requested.

3. In the event the arbitrator selected is not available within a reasonable time period the parties may mutually agree to select another arbitrator from the list.

E. Arbitration hearings shall be held at times and locations agreed to by the University and the PBA, taking into consideration the availability of evidence, location of witnesses, existence of appropriate facilities, and other relevant factors. If agreement cannot be reached, the arbitration shall be held in the city of the campus where the employee works.

F. Arbitrability. Where applicable, issues of arbitrability shall be bifurcated from the substantive issue(s) and, whenever possible, determined by means of a hearing conducted by conference call. The arbitrator shall have ten (10) days from the hearing to render a decision on arbitrability. If the issue is judged to be arbitrable, an arbitrator shall then be selected to hear the substantive issue(s).

G. Burden of Proof. In all grievances except disciplinary grievances, the burden of proof shall be on the employee. In disciplinary grievances, the burden of proof shall be on the University.

H. The arbitrator may fashion an appropriate remedy to resolve the grievance and the decision shall be final and binding on the University, the PBA, the grievant(s), and the employees, provided that either party may appeal to an appropriate court of law a decision that was rendered by the arbitrator acting outside of or beyond the arbitrator's jurisdiction, pursuant to Section 682.13, Florida Statutes. For purposes of venue in any judicial review of an arbitrator's decision issued under this Agreement, the parties agree that such an appeal shall be filed in the courts in Hillsborough County, Florida, unless both parties specifically agree otherwise in a particular instance. In considering a grievance, the arbitrator shall be governed by the following provisions and limitations:

1. The arbitrator shall endeavor to issue his/her decision not later than sixty (60) days from the date of the closing of the hearing or the submission of briefs, whichever is later.
2. The arbitrator's decision shall be in writing, and shall set forth the arbitrator's opinion and conclusions on the precise issue(s) submitted.
3. The arbitrator shall have no authority to determine any other issue, and the arbitrator shall refrain from issuing any statement of opinion or conclusion not essential to the determination of the issues submitted.
4. The arbitrator shall limit his/her decision strictly to the application and interpretation of the specific provisions of this Agreement and the facts of the particular case.

I. The arbitrator shall be without power or authority to make any decisions:

1. Contrary to or inconsistent with, adding to, subtracting from, or modifying, altering, or ignoring in any way the terms of this Agreement or the provisions of applicable law or rules or regulations having the force and effect of law; or
2. Limiting or interfering in any way with the powers, duties, and responsibilities of the State under its Constitution, applicable law, and rules and regulations having the force and effect of law, except as such powers, duties, and responsibilities have been abridged, delegated, or modified by the expressed provisions of this Agreement; or

3. Which have the effect of restricting the discretion of a Chief Administrative Officer as otherwise granted by law or the University Regulations unless such authority is modified by this Agreement; or
4. That are based solely upon a university past practice or policy unless such university practice or policy is contrary to law, the University Regulations or this Agreement.

J. The arbitrator's award may include a monetary award to the grievant(s); however, the following limitations shall apply to such monetary awards:

1. The award shall not exceed the amount of pay the employee would have earned at his/her regular rate of pay and shall not include overtime, on-call, or any other speculative compensation which might have been earned;
2. The award shall not exceed the actual loss to the grievant, and shall be reduced by replacement compensation received by the employee during the period of time affected by the award; and
3. The award shall not be retroactive to a date earlier than the date of the occurrence of the event giving rise to the grievance under consideration.

K. The fees of the arbitrator and other expenses of arbitration shall be shared equally by the University and the Union. Each party shall be responsible for compensating and paying the expenses of its own representatives, attorneys, and witnesses. The PBA will not be responsible for costs of an arbitration to which it was not a party. Where a grievant is not represented by the PBA, such grievant will be responsible for all fees, expenses, and costs associated with the arbitration to the same extent that the PBA would have been responsible, if the PBA had been a party to the arbitration.

5.5 Time Limits.

- A. Failure to initiate a grievance, to appeal a grievance, to notify the University of the intent to arbitrate, or to select an arbitrator within the time limits specified in this Article shall be deemed a waiver of the grievance and the dispute shall be deemed fully resolved and non-arbitrable.
- B. Failure, at any Step of this procedure, to communicate the decision on a grievance within the specified time limit shall permit the grievant's representative to proceed to the next Step.
- C. Claims of either an untimely filing or untimely appeal shall be made at the Step in question.
- D. The number of days indicated at each Step should be considered as a maximum, and every effort should be made to expedite the process. However, the time limits specified in any Step of this procedure may be extended by written agreement.
- E. In the event that any action falls due on a Saturday, Sunday, or University holiday, the action will be considered timely if it is accomplished by 5:00 p.m. on the following business day.

5.6 Exceptions

Nothing in this Article or elsewhere in this Agreement shall be construed to permit the PBA or an employee to process a grievance (1) in behalf of any employee without his/her consent, or (2) with respect to any matter which is at the same time the subject of an action which has been filed by a grievant in any other forum, administrative or judicial. As an exception to this provision, a grievant may file an EEOC charge while the grievance is in progress when such filing becomes necessary to meet federal filing deadlines pursuant to 42 U.S.C. Section 2002e et seq.

Article 6

Internal Investigations

6.1 Whenever an employee is under investigation and subject to interrogation by the University Police Department in a matter which could lead to suspension, demotion or dismissal of the employee under interrogation, such interrogation of such employee shall be conducted in the following manner:

A. The interrogation shall be conducted at a reasonable hour, preferably at a time when the employee is on duty, unless the seriousness of the investigation is of such a degree that immediate action is required.

B. The interrogation shall be conducted at the University police station.

C. The employee shall be advised if he is a witness or is under investigation and if under investigation shall be informed of the nature of the charge which is under investigation and the rank, name and command of the employee in charge of the investigation, the interrogation employee, and all persons present during the interrogation. In the event that an employee is called as a witness and during interrogation becomes the subject of an investigation he shall be so informed and shall be given a reasonable opportunity to exercise the right to representation afforded by this Article. All questions directed to the employee under interrogation shall be asked by and through one (1) interrogator. The employee under investigation shall be informed of the identity of the complainant(s).

D. Interrogation sessions shall be for reasonable periods and shall allow for personal necessities and rest periods.

E. The employee under interrogation shall not be subjected to offensive language. No promises or reward shall be made as an inducement to answering any questions.

F. The formal interrogation of the employee shall be recorded, and there shall be no unrecorded questions or statements. Upon the subject employee's request, an unedited verbatim transcript or tape recorded copy of the employee's statement shall be provided to the employee within seventy-two (72) hours, excluding weekends and holidays.

G. If the employee under investigation is under arrest, or is likely to be placed under arrest as a result of the investigation, he shall be informed of all of his rights prior to the commencement of the interrogation.

H. An employee who is the subject of an investigation shall have the right, upon request, to have a representative of his choice present at all times during such interrogation. Whenever such representative is not immediately available, the interrogation shall be postponed for a reasonable period of time in order to afford the employee the opportunity to a representative.

I. The employee shall, if he so requests, receive a copy of his statement, any transcript, which is prepared of the oral questions and answers, or any summary of his testimony prepared by the University Police Department.

J. In any matter where an employee is required to submit a written statement justifying or explaining his actions in a particular situation, the employee, upon his request, shall be granted twenty-four (24) hours or until the start of his next scheduled shift, whichever is sooner, to submit such a statement.

K. If, as the result of an internal investigation an employee's conduct is unbecoming an officer of this agency, the charge shall be specific in its allegations and shall describe the conduct which is the basis of the charge.

L. The provisions of this section shall apply only to investigations covered by this section and shall not apply to any other form of investigation or discipline.

6.2 In cases where it is decided to relieve an employee from duty pending an investigation or other administrative action, the employee will remain on full salary and shall not lose any benefits during this period of time.

6.3 When an investigation by the University Police Department is completed, the Chief of Police or designee shall determine the disposition of the investigation according to the following:

- A. Proper Conduct (Exonerated): The allegation is true, but the actions of the employee were consistent with University Police Department policy.
- B. Improper Conduct (Sustained): The allegation is true and the actions of the employee were inconsistent with University Police Department policy.
- C. Insufficient Evidence (Not Sustained): There is not sufficient evidence to prove or refute the allegation.
- D. Unfounded Complaint: Either the allegation is demonstrably false or there is no credible evidence to support the allegation.
- E. Not Involved: The investigation established that the employee named in the complaint was not involved in the alleged incident.

6.4 In the event that the disposition of the investigation is sustained, the Chief of Police or designee shall so inform the employee. The discipline resulting from investigations will be placed in the employee's personnel file.

6.5 When an employee is under investigation by the University Police Department as the result of a third party complaint, neither the officer, the PBA, nor any member of the Department shall make any public statements concerning the facts of the case until such time as the investigation has been concluded and action has been taken on result of such an investigation. This provision shall not preclude the confirmation of the fact that such an investigation is being conducted.

6.6 If a third party complaint is filed that alleges criminal conduct and, as a result of the investigation, substantial and competent evidence is adduced which proves that the charges are false, then such evidence may be submitted to the State Attorney for such action as he may deem appropriate. The term "third party complaint" as used in this Article shall apply to any complaint filed by a person who is not a sworn employee of the University of South Florida Police Department.

Article 7

Discipline

7.1 The University and the PBA encourage to the fullest degree, employee behavior which is positive and supportive of the goals of effective management and public safety. The parties recognize the need for progressive and appropriate discipline when an employee's conduct and job performance are inconsistent with said goals.

7.2 No permanent status employees shall be disciplined except for just cause. Progressive, consistent, and appropriate discipline will be administered according to the seriousness of the offense.

Loss of pay may be considered as part of disciplinary action. Nothing herein shall prevent the University from requiring repayment of sums due to the University.

Disciplinary action may include:

- A. Oral Reprimand

B. Written Reprimand

C. Suspension -- At the discretion of the Police Chief and with the concurrence of the Director of Human Resources, employees may have a suspension held in abeyance until the grievance process is concluded.

D. Demotion

E. Dismissal

F. In the event that the University plans to establish other progressive or positive discipline programs, the PBA shall be notified and provided an opportunity to discuss the matter.

G. The University may develop and implement an educational-based discipline program the goal of which would be to provide an alternative to traditional discipline under proper circumstances. Such program's focus would be to alter and correct negative behavior by improving performance through education and training. This program may be used in conjunction with traditional discipline.

7.3 Employees will be advised in writing of the basis for any disciplinary action resulting in loss of pay or benefits. An employee shall be furnished a copy of the Disciplinary Action for all suspensions, demotions, or dismissals.

7.4 Any officer who is being interrogated under circumstances where the officer could be subject to discipline shall have a right to have a PBA representative present. It is the employee's responsibility to notify the PBA of the request for union representation.

7.5 Employees may review, upon reasonable request, any supporting documentation contained in a disciplinary package after the completion of any investigation of the matter but prior to the pre-disciplinary hearing portion of the investigation. One copy of any of the supporting documentation shall be provided to the employee free of charge upon request. This section shall not apply in cases in which criminal charges are brought against the affected employee as a result of the departmental investigation. Records in such cases must be obtained through the rules of discovery through the State Attorney's Office.

Article 8

8.1 Definition. A layoff is a reduction in the number of employees within the University Police Department due to adverse financial circumstances, reallocation of resources; reorganization of academic or administrative structures, programs, or functions; curtailment or abolishment of one or more programs or functions; shortage of work; or material change of duties. The University will layoff employees as hereinafter provided.

8.2 Layoff Rights. The following employees do not have layoff rights:

A. An employee appointed for less than one (1) year.

B. An employee appointed to a position funded solely from contract, grant, auxiliary or local funds; provided however, that should a permanent employee be involuntarily reassigned or otherwise involuntarily transferred to one of the above named positions, such employee shall not lose layoff rights.

C. An employee whose appointment expires without the requirement of a written notice of non-reappointment, including an employee serving on an appointment with an appropriately documented fixed term.

D. An employee without permanent status in any class.

8.3 Order of Layoff. Once the University has determined that selected positions shall be eliminated, the University will lay off employees as follows:

A. A permanent status employee will not be laid off if there are nonpermanent employees in such positions.

B. Permanent status employees will be selected for layoff after consideration of time in classification. The University may retain junior officers with specialized qualifications, skills or relevant experience.

First time probationary employees and temporary employees shall be laid off prior to any regular employee. In the event that two or more employees have the same length of classification seniority, department seniority shall prevail. Should departmental seniority also be equal, the University shall determine the method to break such ties.

8.4 An employee affected by layoff will have the right to elect placement in a lower classification of law enforcement officer at the University, provided that the employee held the lower classification at the University and can perform the work.

8.5 Notice of Layoff. Employees laid off shall be given thirty (30) calendar days written notice in advance, where practicable, but in no event less than twenty-one (21) calendar days. The PBA shall be furnished a copy of such notice.

8.6 Order of Recall. Employees shall be recalled from layoff in reverse order of the layoff provided that they are currently qualified to perform the work in the job classification to which they are recalled as provided by this Article. No new employee shall be hired until employees on layoff have been given an opportunity to return to work. After twelve (12) consecutive months of layoff such re-employment rights shall cease.

8.7 Employment Status. When an individual's name is removed from the layoff list because he rejects an offer of re-employment or requests that his name be removed from the list because of no interest in re-employment or due to expiration of the twelve (12) consecutive month recall right or due to death or disability, the removal of the name from the list shall terminate any right to recall.

8.8 Benefit Status. During the twelve (12) consecutive months following layoff the employee may, at his expense, continue benefits as provided by the State Insurance Program. The employee shall be eligible for any COBRA benefits provided by law.

8.9 Retirement/Resignation. Individuals who are identified for layoff who are eligible and choose to retire shall not be placed on layoff lists. Employees who retire or resign will be treated as provided in University policies.

8.10 Recall Procedures. The University shall notify employees of recall by United States certified mail. All employees on layoff shall have the obligation of providing the University with their correct mailing address. A recalled employee shall inform the University of the intent to accept or reject the recall offer. An individual's name shall be removed from the layoff list when any of the following occur:

A. the employee fails to respond within fourteen (14) calendar days after the University's transmittal of the certified notice to the employee's last address on file with the University;

B. the employee notifies the University of acceptance of the recall offer but fails to report at the specified time;

C. the employee accepts or rejects any employment with the University;

D. the employee has been on layoff for a period of twelve (12) consecutive months.

8.11 Calculation of Benefits. For purposes of benefits, an individual recalled from a layoff list is not considered to have a break in service.

Article 9

Change in Assignment

9.1 An employee with permanent status in the current class who meets all University eligibility requirements may apply for a change in assignment to a different position in the same class or a different class having the same pay range maximum, a different work unit, or a different shift at the University according to University procedures.

Prior to filling a vacancy, except by demotion, the University shall consider the needs of the Department and applicable change in assignment requests.

The hiring authority shall normally fill a bonafide vacancy based on an employee's seniority, skills, knowledge, experience, performance, and training. Any training or experiential opportunities specifically related to a foreseen vacancy shall be offered on a competitive basis based upon the factors listed above.

9.2 Involuntary Change in Assignment.

A. Nothing contained in this Agreement shall be construed to prevent the Chief of Police or designee, at his discretion, from effecting a change in assignment of any employee according to the needs of the University. The Chief of Police shall utilize the following factors in making changes in assignment to benefit the needs of the University: seniority, skills, knowledge, experience, performance and training.
